

Celebration Trees

Planting a tree is a meaningful way to commemorate an occasion or honour a special person. The gift of a tree planted in a local park is unique, in that it is given for an individual but is truly a gift for the whole community now and in the years to follow. It continues to give. And for all those who walk past, it becomes a touch stone for that special someone.

Your tax deductible donation of \$225 (minimum) provides for a 6 to 8 foot tree with an engraved plaque and an invitation to take part in the celebratory planting. Specific species and exact planting locations will be determined by the Parks Department, but preference will be given to native and shade species. However, a request of your favorite species of tree is welcome.

Celebration Trees are planted in the fall in parks in Centre Wellington. Trees are stewarded by NeighbourWoods and the Parks Department.

Deadline for requests is mid-August. Please complete reverse side and mail or drop it off, along with payment to: EEC, 75 Melville St., Elora, ON NOB 1S0
