ARBORIST SUPERPOWERS: PHILOSOPHIES & PRACTICE FOR URBAN TREE INSPECTION

Elora Centre for the Arts
Thursday November 26th, 2026, 7:30-8:30pm

Attendees will learn to see urban trees differently, as systems shaped by their history and their sites, and to interpret what they see. They'll leave with a fresh perspective on tree inspection and management, and a new appreciation for the veteran trees in our urban landscapes.

Tree Talk will be led **Brent Hocking**, a Board Certified Master Arborist who uses his deep understanding of trees in his consulting work to solve problems for property owners.

**Free for members of
Neighbourhoods**
\$10 for non-members
