Bitternut Hickory	Sugar Maple
Shagbark Hickory	Red Maple
Burr Oak	Ivory Silk Tree Lilac
Red Oak	Hornbeam

For \$400.00 you will receive a deciduous tree of your choice. You will also receive a customized plaque that will be placed at the base of the tree.

A list of parks for you to choose from will be given at the time of request as they change from year to year.

Once you have chosen a park, you will be given a list of trees that you can choose from. It is important to plant the right tree in the right place to ensure that your tree will grow healthy and strong. Specific growing factors will determine which trees are chosen for each park. Top two factors that we base are selections on are soil and light conditions.

At the time of purchase, the tree becomes the property of the Township of Centre Wellington and it will be planted, mulched, watered, and maintained by our parks and recreation staff.
